

**NOTICE TO ALL EXTRAORDINARY
MINISTERS OF HOLY COMMUNION
AT ST. MARY'S PARISH**

For health reasons, the diocese is asking us to implement a change
in our practice of distributing Holy Communion.

**All lay ministers of Holy Communion are asked to come
to the FRONT BENCH as soon as the
“Lamb of God” begins.**

**At both ends of the pews, near the side aisles,
are bottles of hand sanitizer.**

**You are asked to use the sanitizer - with one pump from
the dispenser - and then kneel on the front step
*(or, if you are unable to kneel, to stand near the side aisle).***

**When the priest has consumed from the chalice,
please come to the altar immediately.**

This will be a permanent change.

Thank you for your cooperation and God bless you for your
continued ministry to His people!
